## NOTE FROM THE PRINCIPAL...

All students in grades kindergarten through fifth are completing the mid-year, i-Ready diagnostic assessment. The purpose of the assessment is to determine how the students responded to the weekly instruction. It is exciting to report that most of the students are making nice gains from the diagnostic assessment they took in October compared to this most current assessment. If you would like information about how your child(ren) did on the most recent i-Ready diagnostic assessment, please contact your child(ren)'s teacher(s).

GATE testing takes place in two weeks. All second grade students are scheduled to take the tests unless their parents signed and turned in a form to opt them out of the testing. Second graders will take their tests on Tuesday, February 6th, Wednesday, February 7th and Thursday, February 8th. If your child is in second grade please contact his/her teacher for the specific times. Some third through fifth grade students will also take the GATE tests on Tuesday, February 6th and Thursday, February 8th from 8:30 - 11:00 AM. Results of the GATE assessment should be available towards the end of March/beginning of April.
