NOTE FROM THE PRINCIPAL...

Happy Spring! Staff and students continue to work hard as we complete the last quarter of this school year.

The lost and found is overflowing. Please be sure to check the multi-purpose room stage for those missing and lost items. Items will be spread out on the stage the rest of this week for students/parents to easily find those missing articles of clothing, lunch boxes, etc. Everything left will be donated over spring break.

Starting April 30th, third through fifth grade students will begin the Smarter Balanced Assessments. These state assessments are part of the California Assessment of Student Performances and Progress (CAASPP) system. Unlike past state assessments, this one is a computerized test in the area of English, language arts and math. A letter was sent home with students yesterday with detailed information about the upcoming state assessments.
