Thank you for attending Open House last week. The students and staff were proud to show off their hard work.

Last night Mr. Rodriguez and I had the privilege of attending the Placer County Teachers of the Year reception where Mr. Law was recognized for his outstanding contributions to education. Congratulations to Mr. Law.

Fifth grade students started the state science test this morning. This year it is a field test. Parents will receive scores over the summer. The school will receive information regarding the students' science achievement, but this year the scores will not be counted on our school dashboard report.

After this school year ends fourth grade teacher Ms. Thompson will be transferring to Glen Edwards Middle School to teach English Language Arts. We thank Ms. Thompson for everything she has done for our students, staff and school, and we wish her well in her new assignment.

As the weather gets hotter, remember to stay hydrated. Pack a reusable water bottle to bring to school and don't forget to wear sunscreen!

Remember to get your yearbook orders in, we have a little over 50 yearbooks remaining.
