

WPUSD Student Google Account Login

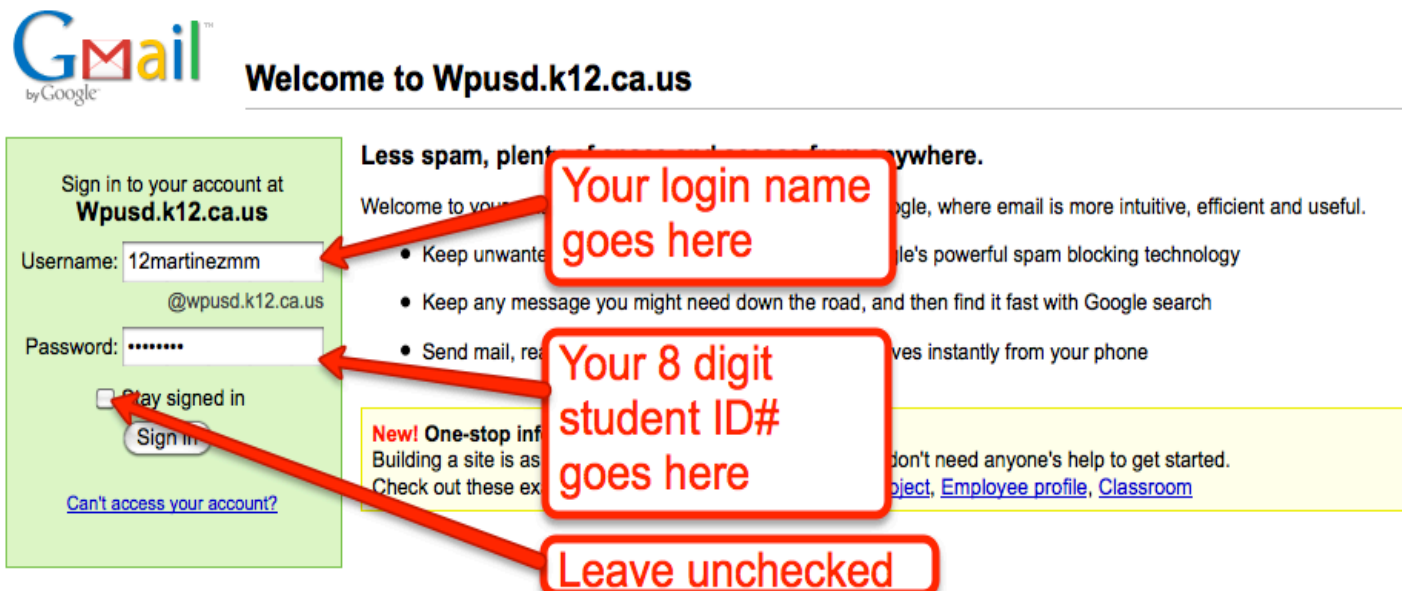

Your new Google accounts allows one gigabyte (GB) of storage in multiple file formats. To login in to your account, enter <https://docs.google.com/a/wpusd.k12.ca.us/> in your web browser.

Your Google login name is the last two digits of your graduation year followed by your last name followed by your first and middle initial. Your login is not case sensitive.

For example, Marco M. Martinez, a senior, will have the login name: 12martinezmm

Your password is your permanent ID number. If your ID number is less than eight digits, add zeroes at the end of the number until your total ID number is **exactly** eight digits. Google docs are available at school or at home.

See example below:

To upload a file to Google Docs storage, save to your desktop and follow the instructions below:
